PC:

When this matter was taken up a prayer was made for adjournment on behalf of the advocate appearing for the petitioner. It has been adjourned on several occasions. We therefore see no reason to grant any further adjournment.

2. By this petition the petitioner is challenging the resolution dated 2.7.2002 passed by the Regional Transport Authority, Pune. Further prayer is that the respondent No.1 should grant to the petitioner permits for plying autorickshaws as contract carriage within the limits of city of Solapur. Such prayers cannot be entertained for the reason that these are independent grievances of persons plying those autorickshaws. Solapur Autorickshaw Association which is the petitioner before this Court cannot agitate such grievance which have effect of disturbing the individual rights of individuals. From the reply of Government is also clear that not granting such permission to run as contract carriage is a policy decision of the State Government and therefore the resolution being consistent with the policy decision factually also we need not interfere in the present petition. Hence petition is

dismissed.
